Attorney Macy:

Please have this communication serve as a request that Mr. Hilegar Camara be put on administrative leave pending an investigation. This action should occur at once. Mr. Camara has been identified as an individual who allegedly was Mayoral Aid 1 in the recent indictment of Mr. Correia.

Since Mr. Correia should not have contact with witnesses and those involved in these alleged federal indictments, I believe this is the most appropriate action, given these circumstances. For example, what would happen if Mr. Correia was getting in the elevator 'at the same time' as Mr. Camara?

I am requesting that your office quickly act in this matter.

Thank you,
